International Conference on Gerontechnology
Abstract submission guidelines for poster presentation

- The abstract should be submitted through the online system – EasyChair.
- The material in the abstract should be of original work. Abstracts previously published or presented will not be accepted.
- The abstract must be relevant to one of the conference sub-themes. Authors will be asked to indicate which of the sub-themes is most appropriate for their presentation.
- Poster would be used as the only presentation method.
- The abstract should be written in English.
- The abstract text is limited to a maximum of 300 words excluding title and details of the authors.
- If the abstract is to report a research study, the structure of the abstract should be as follows: (1) Background, (2) Aim of the study/project, (3) Methodology, (4) Results and discussions, and (5) Conclusion.
- All abstracts will be reviewed by the conference programme committee. All authors will be notified of the decision by the committee. The author of accepted abstracts is required to register for the conference.
